Amphitheatre 2. Lunch will be provided

Come join the South Dakota Auto Body Association as we welcome speaker and auto body consultant Mike Anderson!

Mike is the driving force behind Collision Advice, and has served in a variety of high-profile roles in our industry. He is also a second-generation body shop owner himself, having owned and operated three collision facilities in his lifetime. He shares tips on what shops need to do in order to ‘thrive, not just survive.’. He is a major advocate in our industry on every level, he is often published in Auto Body News and Fender Bender and speaks all over the country. Mike will spend the day focusing on customer service & marketing in the morning and 100% Disassembly tear down and parts accommodation in the afternoon. For more info on what these seminars will detail and tools for our industry please visit collisionadvice.com. We look forward to seeing you!
